Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 23 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Gusty winds and thunderstorms overnight. More thunderstorms on Saturday.

This Evening and Tonight:
Evening sunshine across northern counties. Meanwhile, heavy and thundery rain, preceded by, and accompanied with strong and gusty winds, will cross the region, arriving in southern coastal areas first. Another warm and muggy night. Minimum temperature 15 deg C (59 deg F).

Saturday:
Heavy thundery rain will clear northwards through the morning followed by sunny spells, before locally torrential thunderstorms develop. Feeling cooler than recently, but still warm in the sunshine. Maximum temperature 23 deg C (73 deg F).

Outlook for Sunday to Tuesday:
Further showers and thunderstorms on Sunday, but somewhat drier on Monday. Overnight into Tuesday, a band of rain will cross the region, leaving Tuesday daytime dry before further showers later.
